SUBJECT: **FUNDING AUGMENTATION FOR LITTLE HOUSE, CONTRACT NO. PH-000671**

This is to inform you that Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 16, 2009 (Board Agenda Synopsis #35) to implement the adjustments and reallocations provision for the agreement with Little House. This authority allows the Director of DPH or his authorized designee to augment funds in amounts up to 25 percent of the contract budget.

DPH recommends this funding augmentation to enable the agency to expand services for their General Relief contract. DPH proposes to augment the contract as indicated in the following attachments: Attachment 1 is a description of the services affected by this amendment and Attachment 2 outlines the agency's current and proposed funding amounts.

If you have any questions or need additional information, please let me know.

General Relief Program Services – Description

RESIDENTIAL SERVICES (GENERAL RELIEF)

Residential services are twenty-four (24) hour residential programs where recovery services and/or specialized recovery services are made available to General Relief recipients. Clients are involved in no less than six (6) hours of planned treatment activities per day under the supervision of trained staff. This is a counseling modality in which no person is treated for drug and/or alcohol related problems by means of administering, furnishing, or prescribing narcotics and/or restricted dangerous drugs.
